

“IT’S NOT OK!”

Detoxifying the workplace – earn CPD ethics points!!

A three series course in detoxifying workplaces ethically and humanely. As health professionals, it is not only incumbent on us to be role models of ethical behavior and safeguard human rights but also to help the people where we work to build ethical and humane workplaces. Join this series of courses to learn how to diagnose and work with toxic workplaces.

***For Registered Psychologists and Health Care Professionals.**

Earn 15 ethics CPD points in total over 3 courses running from 4th November 2023. R500 and 6h20min per course.
